

## Chisenhale Website and Frog

<http://www.chisenhale.towerhamlets.sch.uk/>

When you log onto the website you will see a picture of a Frog - click on it! Frog can't easily be accessed via Safari (on iPads and iPhones), but can be accessed on Chrome or Firefox.

Your child will have their own username and password eg if your name is Helen James born in 2000 your username will be helenj00

All children's passwords are Frog until they change them. We recommend that children change their password so that only they will have access to it. The teachers can change the passwords back again if you forget.

When you get onto Frog there are lots of different pages to look at and it can be confusing at first! Your child should be able to help you get around.....

There are 3 dots at the top of the screen - go to the right hand one and you should get to the School Frog Page. On there is a button marked ***I am learning*** - that is the place to find your child's homework, as well as other activities for them to do.

Please also have a look at the Home Class pages. Lots of classes have photos of trips, of work they have done, links to other educational websites and also message boards where children can write comments about the exciting learning that is going on.

It is still very early days for our work on Frog so please be patient with us - we know there are still things to sort out! We will be having workshops for parents very soon, where parents can come in and find out more about it. We will also be doing lots of work in school to help children get to grips with Frog.

Alongside that we are doing lots of work on e-safety so that children know how to behave safely online. There is a great website called ***Think U Know*** <https://www.thinkuknow.co.uk/parents/Primary/> which has lots of helpful advice for parents about keeping children safe while using the internet. We believe that digital technologies are both exciting and very supportive to learning - but we know that keeping children safe is extremely important so we all need to know what to do. We hope you enjoy your time on Frog!

*Please vote for the Chisenhale Edible Garden in Jellied Eel magazine  
- details on the front page of the school website! Many thanks!*
