Learning Together for a Better Future

5/7/19

Wow! That was the Art Week, that was! The children have been amazing, and please accept my apologies for them coming home very different colours to the ones they came into school. Trips to galleries, artist's studios, exhibitions, and parks to find objects. Paint, wood, paper, sticks, leaves, flowers, glue, tape, paste, fabric, straws... Thank you to our artists and volunteers and a very special thank you to Sara Heywood for coordinating our Rights Respecting Art Week. I hope most of you were able to come to the exhibition, but if not we will be forwarding a pamphlet and retaining some of the masterpieces in school. We also managed to squeeze in another Stay and Play for our new Reception children this week.

The Reception to Year 5 children will be meeting their new teachers on Monday morning. So just to let you know, we will be saying goodbye to Ms Miles who is off to Thailand, Ms Duggan who has a job at another school and Ms Katona (but only for a year), who is taking a sabbatical.

Please take care crossing the roads outside the school, particularly at the end of the day, as cars are manoeuvring and might not see small children.

Don't forget to join us for the Summer Fete tomorrow!
