Learning Together for a Better Future

06/9/19

Welcome, welcome, welcome!

We have had a lovely start to the new school year. We have welcomed new children into the Nursery and Reception classes, as well as a couple of other year groups. We also welcomed Mr Mortimer teaching Basil Class, Beatriz and Angela supporting in Year 5, Rowan and Cherry classes, and Daisy in Beetroot Class and Year 2. We are also very pleased to have Ms Booth and Ms Houston (Hannah) back from maternity leave.

Big Bangs have happened in Upper Key Stage 2. Year 5 came back from play time to find their classrooms all asunder as if a disaster had struck, all part of their preparation for reading their core book *Floodland*. Year 6 were immersed in song and sand art as they made their predictions about the book *Holes*.

As an introduction to their Natural Disaster learning, Lower Key Stage 2 'experienced' an earthquake today and learned the steps to take when one strikes - let's hope we don't need that anytime soon. Key Stage 1 classes have already been on a trip to the Soanes Centre exploring environments and looking at minibeasts!

Following an assembly, the children thought about our Rights Respecting School agenda, and whether they wanted to stand to be a Rights Councillor this year. Those who did, made their pitch to the class about their passion for ensuring children in school and worldwide were able to enjoy their rights, and then, in true democratic fashion, votes were cast and counted.

The elected Councillors will be heading off on a trip to Parliament next week.

Have a great weekend.

Sharon Taylor-Sezgin

This is our school vision and values poster, which is the outcome of the work last year by the children, parents, staff, and Governors. It is all around the school and on our website, and hopefully the children will be able to talk about it.

Health and Safety Reminders

Please help us to keep the children safe by following the procedures at the end of the day and exiting by the Chisenhale Road gate from the main playground.

Also, be aware that the large playground climbing frame is built for children from 4 years old. Ideally, younger children need adults to be on the structure with them to keep them safe. Once you have collected your children they are welcome to play but they are in your care and you are expected to be supervising them to keep them safe. However, you do need to be out of the playground by 3.45pm from Monday to Thursday so that we can use the playground for Night Owls.

Children should not be wearing jewellery to school as it can get caught on equipment or clothing.

Dates for your diary

Monday 9th, 9am in the schoolhouse Registration for our English language classes for parents. These classes run every Monday and Friday

9-11am and are FREE so please come along if you would like to improve your spoken or written English.

Wednesday 11th at 3.40 and Thursday 12th at 9am, in the library, Year 6 parent meeting, please come to ONE of these. We will be discussing SATs, school journey and secondary applications, also **Friday 20th, at 9am** in the schoolhouse, Secondary Applications in depth.
