Learning Together for a Better Future

12/7/19

Another packed week in which all of the children met their new teachers and spent time in what will be their class in the Autumn. We also had our new recruits join us in nursery for their Stay and Play Session and we look forward to welcoming them in September.

There were lots of fun sports in the park which was thoroughly enjoyed by the children - and the staff - judging by the lack of voices on their return. Thank you to Mr Leser for organising another fab event, and our physical education throughout the year - it's been a great success.

Thyme and Lavender classes went off to Tiptree Farm to sample the wares of a real fruit farm and see how jam is made. Beetroot Class assembly was a delight, if a little bit cheeky. They wowed us with their scientific and geographical knowledge, were brilliant orators, actors and even had written and performed a song about the Roman Road.

I didn't mention last week that we will also be saying goodbye to Miss Begum in Year 1, who has done a great job covering maternity leave for Ms Booth who returns in September.

We have counted up the Soccer Aid money and we raised an amazing £1,378 2for Unicef. Special mention to our star fundraiser Reggie who raised £219!

Thank you to all the parents who helped out at the fete on Saturday. Those who cooked, baked, served, got us

Set up, tidied up, counted up! Special thanks to Ruth who somehow pulls it ALL together. It was a real team effort and lovely to see so many families enjoying themselves. **Sharon Taylor-Sezgin**

The local authority is currently consulting residents about proposed changes to funding for children with special educational needs as the government is cutting their budget. We would urge all parents to fill in the survey at www.towerhamlets.gov.uk/lgnl/council_and_democracy/consultations/Planning_to_make_changes_to_SEN_D_funding.aspx Cuts to funding like this affect ALL children as schools will struggle to make up the difference from their own budgets.

Music performances

Children learning the recorder with Kate will be performing at the KS1 assembly on **Thursday 18th July at 3.15pm** – their parents are most welcome to come along.

There will be a concert by children who have instrumental lessons from THAMES on **Wednesday 17th July at 3.45pm** and again parents are most welcome. Some children who learn the piano and guitar may also be performing – check with your music teacher to see if your child will be taking part.

Dates for your diary

Tomorrow part of Chisenhale Road will be closed to traffic to create a play street for children.
Thursday 18th July, 9am Broccoli class assembly
Friday 19th July, 9am in the library: workshop for current Reception parents: transition to Year 1
Friday 19th July, 6pm Year 6 production for families
Wednesday 24th July 9am, Year 6 leavers' assembly
SCHOOL CLOSSES AT 2PM ON WEDNESDAY 24TH JULY FOR THE SUMMER HOLIDAY AND REOPENS ON TUESDAY 3RD SEPTEMBER
