Chisenhale Primary School Bow

Learning Together for a Better Future

14/6/19

This week has been very exciting as Lower Key Stage Two dodged (or not) the rain to complete their swimming each afternoon, I've had reports of phenomenal progress especially in terms of confidence from those who were happier on the land when we started.

We've heard the patter of tiny WEBBED feet in the early years as we have hatched four Peking ducks, who are beautiful and each named a number in a different language.

Year 5 went on the London Eye on Thursday, which fitted in with their core book 'The London Eye Mystery'. Despite the wet weather they enjoyed the incredible panoramic view across London from their warm and dry capsules. The children loved getting sprayed with foam in the London Eye 4D Cinema Experience.

And Year 1 completed their phonics Screening Check this week. Thank you to the parents who came to our HRE parents meeting.

As I write the hall and roof are being transformed into an amazing restaurant for tonight's Pop-Up - I'll see some of you there and wish everyone a drier weekend.

We are looking for some resources for our art week in July and for Nightowls. If you have any spare wool, bamboo sticks, string, lollipop sticks, paper straws, small cardboard or big cardboard (sheets and boxes) please bring them in for us. Many thanks.
