

# Chisenhale Chatter

Chisenhale Primary School Bow

Learning Together for a Better Future

14/12/18

The Winter Fair was brilliant last Friday. It was so chilled(!) and festive. Thank you to all of the parents who worked so hard with the preparation, the stalls on the day and the clearing up. Thanks to the staff who helped out in different ways across the week and to the children who were flexible with their classrooms and play spaces. But the biggest thanks to Ruth who magically brings it all together.

The Year 4 children were amazing during the filming on Monday. They wrote letters, drew orangutans and of course recited the poem. We expect the film to be out at the end of next week and will let you know.

Lots of reports of fun at ice-skating, a few children surprised that they fell over and a couple of bumps and bruises, but very positive reports of fantastically helpful, supportive Chisenhale children as we have come to expect.

Thank you to Father Brian for allowing us to perform our Nativity in St Barnabas Church today. And thank you to the children and staff of Key Stage One who touched our hearts with their amazing Angel Express.

Keep warm this weekend and download the Schudio APP if you haven't already done so, as we will let parents know if we are closing for snow via this!

**Sharon Taylor-Sezgin, Headteacher**

Thanks to everyone who helped with the Winter Fair this year. The PTA created an amazing grotto as always and we had fantastic arts and crafts, games, samosas, pakora, mulled wine and cakes galore. We made around £2,300, which all goes to the school to help fund some of the little extras for the children. Thanks for coming along and making it such a success, too.
