Chisenhale Primary School Bow

Learning Together for a Better Future

17/1/20

Our assembly at the beginning of the week looked at the UN Sustainable Development Goals and it was great to consider our contributions towards them (if small). For example, our work with the Felix Project, our solar panels, plastic reduction and climate action march. I want to take this opportunity to thank The Worshipful Company of Weavers who have bought the Early Years £9900 worth of wooded bricks and resources to help develop motor skills, creativity, collaboration and communication. We are very grateful for all that they do for us and the difference their generosity makes to our children's learning and development.

I also want to congratulate Khalida our School's Counselling Partnership Manager on receiving an Anna Freud Award for Outstanding Work with Children - well done from all of us here at Chisenhale.

Today we are being assessed by two ambassadors from Unicef for our Right Respecting Schools work - thank you to the children, staff, parents and Governors who have contributed to this. Looks like a chillier weekend ahead - wrap up!
Sharon Taylor-Sezgin, Headteacher

Safety first

Please don't park on the yellow zig zags outside school when you pick up or drop off your children – they are there to make sure all children are safe and can be seen by other drivers when they are coming into and out of school. Please also be very aware of pedestrians and cyclists if you drop your child off by car in the morning. Please take the time to park properly rather than stopping in the road and letting children jump out – this not only endangers your own children it also puts other children and local residents in danger as well. Keeping your car's engine on while doing this also creates toxic fumes very close to the school gates.

Upcoming events

Please see the list sent out with this newsletter for more important dates for this term.
