

# Chisenhale Chatter

Chisenhale Primary School Bow

Learning Together for a Better Future

18/5/18

Phew! A tough week for Year 6 who completed five SATs papers this week. They did themselves, their families and us very proud, taking it in their stride and being the best they could be. A big well done to all of them, and to the teaching team who have supported them all year. They enjoyed a well-deserved treat in the park today.

A staffing update: we will sadly be saying goodbye to Ali next week on Wednesday. He has decided to hang up his boots at Chisenhale to pursue his restaurant career. Ali has worked at Chisenhale for many years and we thank him for all his hard work and commitment and wish him well in his new ventures.

Also you may have noticed a few of our teachers are blooming! Ms Miles in Key Stage One will be leaving us a couple of weeks after half-term to have her baby, and Ms Houston and Miranda are both due to have babies in September.

Finally I would like to say a huge thank you to all the parents who attended the Pop up Restaurant last Friday. It was my first experience of it and I was amazed at what a brilliant evening it was. Special thanks to the PTA members and staff who worked very hard in the run up, on the night and the following day's clear up operation. Ali's kitchen is a wonder to behold and Ruth's organisation enviable. We raised lots of money for the school so many thanks to all involved.

## Channel 4 visit Chisenhale

On Tuesday afternoon, a Channel 4 production company came to Chisenhale talk to lower key stage 2 about their career ambitions for the future. The children played games like animal charades and discussed the jobs that people might be doing from looking at picture prompts. The children reported back to us: "They are making a TV show called *When I Grow Up* and we hope some of us might be part of this programme - look out for it later this year!" Martin said, "It was a fun and interesting experience." Danny added, "The games were really good."

## Early Years prepare for the royal wedding

Early Years have been celebrating the royal wedding this week, as well as enhancing their love of Julia Donaldson stories with *The Scarecrow's Wedding*. They have been making bunting, flags, crowns, invitations and even delicious scones, cakes and cucumber sandwiches for their special Royal Tea Party this afternoon.
