Learning Together for a Better Future

20/9/19

It was fantastic to see so many children wearing GREEN today in support of Climate Action. We have had placards, posters, songs and raps, we have written letters to Boris Johnson and children have marched around the playground. Of course this relates to Article 29: Education must teach children how to care for themselves, others and the environment.

Year 5 & 6 have had a very successful week of swimming at the Olympic Pool this week, and Mr Clark delivered his first Helicopter Stories training on Thursday as we are a Centre of Excellence!

Please can I remind parents to be mindful outside the school gates and to park carefully, and drop children off safely; be aware that some children are unsure of dogs, so please keep them clear of the gates.

Thank you to all the parents who attended our reading session today. Have a great weekend and enjoy the lovely weather.

PTA meetings

All parents and carers are automatically members of the PTA and we really value their support in helping us organise events and raise money for the school. The PTA plans the winter and summer fairs, our annual pop-up restaurant and international food evening, cake sales and much more. Money raised by the PTA is used by the school to support trips and treats for the children as well as contributing to building and playground improvements.

The PTA meets in the library on the first Friday of the month and always needs new volunteers so please come along to the next meeting on Friday 4th October at 9am to meet other parents and find out how you can get involved. We are always looking for keen bakers and cooks, artists, designers, fundraisers and anyone who is willing to pitch in and lend a hand at one of our events – no experience necessary!

Guitar and piano lessons

We have had lots of parents asking about private piano and guitar lessons this term but the two teachers we have now are fully booked. We are looking into linking up with a couple of other teachers so please email Ruth at info@chisenhale.towerhamlets.sch.uk if you are interested in private lessons for your child and we will see if we can set up some more individual or group sessions with a new teacher.
