Learning Together for a Better Future

22/11/19

Starting at the end of the week - what a Friday! Thank you to the parents who attended our workshop this morning and the many family members who have joined us to think about the Rights of the Child this afternoon - a great celebration. We have had a brilliant OUTRIGHT week beginning with quiet reflection, and containing personal celebration, serious consideration and outright campaigning. I was so proud of upper key stage 2 as I watched them with their banners held high marching off to show their passion for their right to a clean environment. They were delighted to get lots of support from the public as they did so. Willow Class assembly was a treat on Thursday - a game show about crime and punishment spanning thousands of years of history. Entertaining, hilarious, incredibly well presented and a little bit cheeky as I ended up in the stocks! Well done Willow Class.

Keep warm this weekend.
