Learning Together for a Better Future

22/6/18

Our week started with 32 children heading off to Mile End for the Super 8 Athletics inter-school competition. Mr Leser was very proud of the children who represented the school brilliantly and came second overall in the competition, being narrowly beaten by St Mary's and St Michael's. Well done to all of the children involved, and thank you to the adults who took them.

The Nursery and Reception children headed off to Stratford Discovery Centre to learn about Julia Donaldson and her books. They had a story and drama session, wrote books and went into a magical world of forests, miniature houses, dragons and other creatures.

We are indebted to the playwright Simon Stephens who brought in four actors to 'read through' the plays he had supported the Year 6 group to write. Listening to the plays read professionally emphasised the quality and skill in the writing and the level of emotion the children were able to depict was quite something. Well done Year 6, and thank you so much Simon.

What an amazing assembly delivered by Beetroot Class on Thursday. They sang their way through their literacy and science learning, and have proved there is nothing they don't know about growing plants. What a delight it was to watch their confident performances.

Ms Miles gave birth to a beautiful baby girl this week, Mum, baby and Dad are all well and she is called Matilda. We have all passed on our congratulations and very best wishes.

It is Bring a Dad, Grandad, Uncle... to school today. I hope you had fun with the children in their classes and were able to enjoy a cake with Ruth and the other parents and carers in the outdoor classroom. We really appreciate the efforts our parents and carers make to come into school to support their children's learning and we know it means a lot to the children as well so thank you to everyone who was able to come.

## Art week

We are very excited about Art Week next week. The Rights Rangers have voted to raise money to adopt a turtle through the World Wildlife Fund from the donations they hope to get during the Grand Exhibition on Friday from 2-3pm so do please come along to view their artwork and see all the different projects that having been taking place throughout the school. We are asking for a small donation from parents as they come into school and the PTA will also be selling some cakes to help the Rangers raise money for the World Wildlife Fund.

## Summer Fete Saturday 7<sup>th</sup> July 11am-2pm

### CHISENHALE SCHOOL FETE

Saturday July 7<sup>th</sup> 11am - 2pm

Hot food and cake
