Learning Together for a Better Future

25/5/18

Another week busy with assessments for some year groups. Year 2 have finished their SATs assessments this week and Year 5 a reading and arithmetic test which the borough ask children to complete. It is externally marked and used for the secondary school banding procedures.

There have been a number of visits to the park this week, both lower key stage 2 and the early years have been bug hunting, EYFS at the outdoor classroom in Victoria Park and LKS2 at Wennington Green. Year 6 have had a busy week with script writing workshops thanks to Simon Stephens (Scarlett's dad!) and they went off today to the Natural History Museum.

A company called Skates and Ladders delivered an assembly to the children on Monday talking to them about the exciting news that in 2020 skateboarding will be part of the Olympic Games. Five children answered questions in a quiz and were kitted out to have a skateboarding lesson, watched by Key Stage 1, following the assembly. Not only did they learn the basics, but also a trick or two! We are hoping to have them back in September to deliver a skateboarding after-school club.

Wishing everyone a very safe and happy half-term break. See you on Monday 4th June.

Sharon Taylor-Sezgin, Headteacher

Summer Fete

Our summer fete this year will be on Saturday 7th July from 11am-2pm so keep the date free!

The fete is a great fundraiser for the school as well as a lovely occasion for all of our families and their friends to get together and enjoy great food, fun and games and a variety of other activities. We need lots of parents to help to make the day a success so please have a think over half term about how you might be able to contribute.

Years 5 and 6 swimming lessons

After the half-term break years 5 and 6 will be swimming every day at the Olympic pool. Please remember to bring your costume, swimming hat, goggles and towel EVERY DAY. Please also bring a waterproof jacket to leave in school in case of rain.

Free family events during half term

The All Points East festival In Victoria Park is offering free events for families over half-term before the festival itself starts. There will be free outdoor cinema, live music & entertainment, street food, pop up bars, theatre, arts, sports & wellbeing, children's activities and so much more.

Check out <https://www.allpointseastfestival.com/in-the-neighbourhood/> for more info or see the schedule emailed together with this newsletter.

Please could parents ensure their children have their PE kits in school every day next half-term as our timetable will be changing a little. Named PE kits should be brought in every Monday and taken home on Friday to be washed.

Upcoming events

PTA meeting Friday 8th June, 9am in the schoolhouse. Please come along to help us plan the summer fete.

After-school clubs start week beginning 11th June and will run for 5 weeks as usual. New clubs: tennis on Tuesday and gymnastics on Thursday.

Dads to school day – as usual we will be inviting dads into school for the afternoon to join their children in class and then enjoy a coffee, cake and a chat together. The date for this will be **Friday 22nd June from 1.45pm.**
