

# Chisenhale Chatter

28/6/19

We had a fantastic Soccer Aid last Friday, which raised lots of money for Unicef (total to come). Thank you to all the parents for supporting, and to Mr Leser for his great organising. The children designed their own courses for the event, which they tell me was the best bit.

On Monday, a group of six children went to Millwall Park to play what sounds like the most exciting cricket ever! According to Ahmed, 'you whack the ball as hard as you can, super hard so it goes far away. You do that until you have three balls in a straight line and then the batters run around cones, and you count the points for how many times they run round'. No doubt we'll be seeing it at the Oval soon.

Basil class returned completely smitten following a day at Tiptree Farm - as the evidence of strawberries, cherries and jam around their little faces showed.

Finally a huge thank you to Sprouts class for an outstanding Traction Man assembly on Thursday. We were so impressed with their confidence, independence and team work. They sang 'I need a hero', but I'm sure their parents would agree they were real heroes themselves.

We will be welcoming Year 6 back later from a very successful trip to Devon this week. Don't forget to come to our art exhibition from 2pm next Friday.

Sharon Taylor-Sezgin

## Summer fete

Our summer fete is next Saturday 6<sup>th</sup> July from 11am-2pm. We hope to see you all there. As usual we need lots of people to help in order for it to be a success. If you can help at all please see Ruth or email her on [info@chisenhale.towerhamlets.sch.uk](mailto:info@chisenhale.towerhamlets.sch.uk)

We will need people on the days before to help us prepare for the event, particularly on the Friday morning when we need lots of people to help us make samosas to sell next day and prepare the stalls.

On the Saturday we need people to help us run stalls for food, games, arts and crafts etc. We are asking people to commit to one shift: either 11-12.30 or 12.30-2 so you will still have plenty time to enjoy the fete with your children.

We also need people to make cakes we can sell (as usual no nuts, sesame or fresh cream) or curries for the hot food stall. If you are planning to bring food on the day please let Ruth know so that we know what to expect.

We also need people to help us set up in the morning from 9am and to clear up at the end from 2-3pm. Please let Ruth know as soon as possible if you can help so that we can plan how many stalls and games we are able to offer.

## Breakfast club

If you bring your child to breakfast club please make sure they are here by 8.25 at the latest if they want something to eat. After that time only fruit will be available as the staff have to wash up the dishes in order to be ready to start school at 8.45. Thanks.

## Dates for your diary

**2-3.30 pm Friday 5<sup>th</sup> July - Family Art Day**

Come into school in the afternoon to find out what your children have created during their art week. Join us in the outdoor classroom from 3 for a coffee or tea.

**Saturday 6<sup>th</sup> July 11am-2pm Summer Fete**

Come along for fabulous food, fun and games, arts and crafts and much more.

**Friday 19<sup>th</sup> July, 9am in the library: workshop for current Reception parents: transition to Year 1**
