Learning Together for a Better Future

29/6/18

What a week! Art, art everywhere! A full brochure of the highlights from each class is heading your way. But I hope everyone got a chance to attend the exhibition today and huge thanks to all the artists, staff and Ms Al-Tarafi in particular, for organising such a great event.

Monday started with an assembly from Ruhana from the Idea Store to tell us all about the Summer Reading Challenge. She explained about it being based on the Beano and showed us the prizes that you earn as you read more and more books. The challenge is set for six books over the summer break and the certificates for those who complete it are sent to the school in the Autumn term.

Tuesday was the Governors' walk around, where they get a chance to see the school in action, as well as the last Full Governing Body meeting of the year. I would like to thank all of the Governors for their hard work for the school this year.

Year 6 had their disco on Wednesday up on the roof, as it was so hot. There were dance-offs, singing and chanting and a great time had by all - no tears!

Thursday saw amazing performing arts in the fantastic Broccoli class assembly. The children sung their hearts out with renditions of an Octopus' Garden, Under the Sea and I'm Free! But even more impressive was their heartfelt message of conservation of the oceans, their understanding of democracy and their artwork.

And our cricket team did us very proud at the Tower Hamlets Cricket Competition, playing exceptionally well, taking third place and narrowly missing the final. Well done.

Tonight Year 5s are treading the school corridors after dark - it's their sleepover!

Look out for children's reports next week and if there are any issues you would like to discuss you can book a meeting for Thursday 12th July, 3.40-7pm. You can book a slot in the office from next Tuesday or see your teacher to arrange a time.

New permission rules for class trips

Due to GDPR (new data protection rules) we can no longer take verbal permission for children to go on trips that are not classed as local (eg. if they involve public transport) so **please make sure you return all permission slips for upcoming trips**. If a child has not returned a signed permission slip we are not allowed to let them go on the outing, which will be very upsetting for them. If in doubt, please check with your class teacher.
