

# Chisenhale Chatter

Chisenhale Primary School Bow

Learning Together for a Better Future

30/11/18

It's our winter fair next Friday so we look forward to seeing you all after school from 3.30-5. Bring your friends, relatives and neighbours, too!

We will have our spectacular Santa's Grotto on the roof, along with games for the children, our garden stall selling beautiful handmade Christmas wreaths and potted hyacinths and daffodils, and a stall selling warming miso soup and mulled drinks. We are trialling a new system for the grotto, giving out numbered spots, so we hope this will mean people won't have to spend so long queuing. You can come and pay and collect your numbered ticket and pop back when your turn is approaching.

In the top hall and classrooms we will be selling cakes, tea and coffee and our famous samosas and pakora and there will be lots of stalls selling hand-made gifts, pocket-money toys, decorations, home-made jams, chutneys and Christmas puddings and locally-brewed beers. There will also be an arts and crafts stall to keep the little ones busy.

We've got lots of great raffle prizes, too, including a Westfield voucher and we will be selling tickets in the main and early years playground from Monday onwards.

Thanks to all the parents who have already offered to help out: if anyone else is available on the morning of Friday 7<sup>th</sup> December we could still do with some extra hands to help make samosas and Christmas wreaths to sell later in the day. Please come to the schoolhouse at 9am and dress warmly if you would like to help with the door wreaths.

Please try to leave your buggies at home when you come to the fair. They are not allowed upstairs at all but you can leave them in the office lobby or library.

Many thanks to all the organisations who support this event: particularly Butler & Stag, estate agents, who sponsor all our events, and Pines & Needles who have donated the Christmas Tree in our top hall. In addition many thanks to everyone who has donated a prize for our raffle: an anonymous company (courtesy of the Deschaume family) for the Westfield voucher, Arcelormittal Orbit, The Empress restaurant, Green Goose pub, the Saucy Kipper, the Coburn Arms, East London Brewery, Vinoteca, My Brazilian Waxing, Basilico Pizza, the Saucy Kipper and several parents.

If parents would like to order a tree from Pines and Needles they can use the code 'FESTIVE18' to get a free gift with their purchase at the pop-up shop as well as online, go to: <https://www.pinesandneedles.com> The company says "Our trees are amongst the freshest you will find in London, with stock refilled every 7 days directly from the farm. Where possible they are organic and come from sustainable British forests. Our services comprise much more than just a standard delivery to your door. We are able to install and decorate them as well as take them away and recycle them in January if required. If, for some reason, the tree doesn't meet your expectations, we will happily replace it free of charge if you contact us within 2 days of its delivery."
