Learning Together for a Better Future

6/7/18

Another lovely warm week - we are getting used to this weather! School Council met Nigel the school cook this week, having talked to their classes about school lunches. They discussed the menu and possible changes. The main points raised were around the salad choices; being able to choose one type of fruit rather than have a fruit salad; seasoning available, or on the food; better communication about the choices (what are we eating? Is it vegetarian?) and portion sizes (children really wanting to say just a little); the children also want bread and butter. Nigel is going to take on board what the children have said and make changes for September.

In other news: Bonnie, Ruth and William visited children who are joining us in September; Years 3 and 4 prepared for a produce sale with Cassie; teachers and the Senior Leadership team met and talked about the progress of all the pupils; Nursery went to the outdoor classroom in Victoria Park; a dentist visited lks2 and...

Sprouts Class acted and sang like true professionals retelling the story of the Lighthouse Keeper's Lunch in their brilliant class assembly. It was an amazing display of singing talent as we were treated to renditions of 'Food, Glorious Food', 'Yellow Submarine', 'Twist and Shout' & 'Beside the Seaside' - Ms Bowrey is taking over music provision from Ms Houston when she is on maternity leave! The children looked like they were having so much fun - well done to all.

Most Year 6 children headed off to their secondary transition day today, so we also spent some time transitioning into our new classes.

There are going to be a few changes for September as (including Ms Miles), three teachers will be on maternity leave, we will be saying goodbye to Bonnie who is heading off to a new school in Enfield, and Ms Al-Tarafi who is moving back to Guildford.

Looking forward to seeing you all tomorrow at the Fete.
