

Chisenhale Chatter for Year 3 - Friday 27th March 2020

Hello everyone and welcome to Year 3's first Chatter! We hope you are keeping well and looking after each other in your home.

We have been checking Studyladder and are able to see who has completed the tasks. We will be updating the activities today with more challenges.

Here are a few updates from the staff in Year 3 this week.

Hi everyone in year 3. It has been such a strange week hasn't it? I have been doing more cooking which has been nice, playing some more guitar, hopefully I'm not annoying my wife with all the music! I've been thinking of lots of things to help you keep busy at home so make sure you're keeping up with your learning and remember to be helpful to your adults at home! Keep up all the good work! - Mr Mortimer.

Hi Year 3's, hope you're all staying safe and having lots of fun indoors! I've been spending my time with my family and I've also baked my first batch of healthy bagels (I know we all love bagels in Chisenhale!) and they were yum! Keep well ☺ - Asma

Hello Year 3! I have been helping look after my granddaughter, I have been doing a bit of sunbathing. Missing you all loads. I'm getting a bit bored so might take up Spanish! xx Take care and stay safe xx - Janette

Hello Year 3, I've been doing the Joe Wicks PE workout every morning. I'm missing you all. Hope to see you all very soon.

- Sue x

Hi Year 3! I hope you are all well! I've been thinking about you and your families and wondering how your first week at home has been. I share a room with my sister and I was worried she wouldn't be too happy with me taking over most of our room but she's been very helpful. Keep staying positive and safe! - Miss Begum x

Hello my lovelies,
Joe wicks exercising is brilliant!
My grandchildren sent me a lovely video of them joining in. Such fun!
The younger one couldn't keep up but made me laugh jumping around like a power ranger.
Keep your happiness going.
Thinking of you all. -Jane x

Here's a link to some news this week. <https://www.bbc.co.uk/newsround/50434875>

If you want to keep to a similar timetable to when we are in school, you could try this:

9:00	PE with Joe Wicks - do this everyday! https://www.youtube.com/channel/UCAXW1XT0iEJo0TYIRfn6rYQ
9:30 - 9:45	Spellings from Y3/4 spelling list. Use these words to practice your handwriting.
9:45-10:45	Literacy
10:30	Break
11:00 - 11:20	Times Table Practice - TT Rockstars, Hit the Button
11:20 - 12:00	Maths
12:00	Lunch
1:00	Mindfulness - Try Cosmic Kids: Zen Den (on YouTube) or use Go Noodle.
1:15	Creative time: Science, Music, Art, PE, Topic
3:00 - 3:30	Reading - daily reading for at least 15 minutes. If you do this every day, you could set up your own reading treat at the end of the week.
Bedtime	Story time with your family

We have broken down the timetable into daily ideas for you on the following pages.

Reading ideas for this week

Monday	Read ten minutes of your book. Choose five unfamiliar words and create a word web or poster to show their meaning.
Tuesday	Listen to the story in this link https://www.youtube.com/watch?v=cutROW_NJvE Summarise the main parts of the story using pictures, words or both!
Wednesday	Read your book and then choose one character from it. Write a short conversation between yourself and this character. Don't forget to use inverted commas and start a new line for a new speaker.
Thursday	Listen to a story using this link https://www.youtube.com/user/StorylineOnline/videos Can you make any connections between other stories, films and books that you've read?
Friday	Read your book and then choose two characters and compare their similarities and differences. Think about their characteristics and appearance.

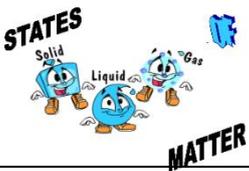

Literacy ideas for this week

Monday	Use this story starter to create a short story! Think about using all the skills you've learned in Year 3 so far... <i>Footsteps slowly creaked on every step of the stairs. The bedroom door handle turned slowly...</i> 1: Idea generation - create a mind map of ideas for characters, settings and dialogue.
Tuesday	2: Create a story map for your short story. Think about the introduction, problem and resolution.
Wednesday	3: Use your plan to write your short story!
Thursday	Write a letter to someone in your class. Make this positive, uplifting and entertaining. Tell them what you have been getting up to and you can give it to them when you see them next!
Friday	Write a description of what you can see from your bedroom window. Use adjectives to describe and use fronted adverbials to start your sentences (remember, adverbials tell you when, where, why)

Maths ideas for this week

Monday	<p>Harry has £1.15 in his wallet. What different combinations of coins could he have?</p> <p>E4E: What is the fewest amount of coins he could use?</p>
Tuesday	<p>Asma baked some cookies. She baked 6 trays with 24 cookies in each tray. How many cookies were there altogether?</p>
Wednesday	<p>ALWAYS, SOMETIMES, NEVER?</p> <p>If you add a number ending in 7 to a number ending in 5, the answer will always end in 2.</p> <p>What other numbers will always end in 2 when added together? Prove it</p>
Thursday	<p>Subtraction practise:</p> <p>$87 - 35 =$</p> <p>$142 - 26 =$</p> <p>$450 - 177 =$</p> <p>E4E: Can you write a subtraction sentence that equals 122?</p>
Friday	<p>Work out: $253 + 2$ $253 + 20$ $253 + 200$</p> <p>$253 - 2$ $253 - 20$ $253 - 200$</p> <p>What is the same and what is different about each calculation? Use mathematical language.</p>

Curriculum ideas for this week

<p align="center">Art</p> 	<p>1) Work your way through Day 1 of Art Week on this website: https://www.theconfidentteacher.com/home-school/</p> <p>2) Design a Chisenhale School logo that you can stick in your window to show you are part of the Chisenhale community.</p> <p>3) If you haven't already, make a rainbow to put up in your window as well. Children around the country are doing this and they show hope in these strange times.</p>
<p align="center">Science</p> 	<p>We have been learning about changes of state in Science this term. Design your own poster including everything you know about the topic. Remember this can include words and drawings - make it eye-catching and informative!</p>
<p align="center">Geography</p>	<p>As we included in our Home Learning letter, research an animal and find out:</p>

(our Topic - Jane Goodall and The Environment)

How would you describe your animals? Can you use scientific language?

What habitat do they live in? Where in the World are these habitats?

What diet does the animal have?

What interesting and unusual facts can you find out to surprise the reader?

Parents and Carers, we hope these ideas will keep the children busy but there are additional daily ideas on Twinkl for 7-9 year olds:

<https://www.twinkl.co.uk/home-learning-hub>

Discussions at home

This half term we have been thinking about Equity at Chisenhale. Due to the recent events, we recently missed an important day to reflect on equity - International Women's Day!

Next week we would like to invite you to talk about International Women's Day with your children.

- *Talk about the important and inspiring women in your family.*
- *Discuss some of your favourite female athletes, artists, politicians or scientists.*

The UNCRC states that we should all be treated fairly no matter our gender (Article 4). There is an age-appropriate resource pack you can explore as a family <https://internationalwomensday.s3-us-west-2.amazonaws.com/resources/IWD-ResourcePack-8-12-UKAU.pdf>

More resources can be found at: www.internationalwomensday.com

Remember to do your bit for Earth Day on Saturday 28th March!
