Curry for change and harvest assembly

As part of our commitment to being a Rights Respecting School and developing our children as responsible citizens we will be learning about people's right to food this month.

On Monday 16th October we will be holding our traditional harvest assembly with Father Brian at 9am - you are most welcome to join us. We are asking for donations of cans and boxes of food that we can share with local families in need through the Tower Hamlets Food Bank - these can be left outside the office in the baskets provided. On Tuesday 17th October we will be supporting the charity campaign Curry for Change and enjoying a special curry lunch and learning about Diwali celebrations. If you would like to bring in a donation of £1 on the day to support the appeal, run by UK charities, Find Your Feet and Health Poverty Action, food company Natco will match any money we raise. The money raised will help to support families in Asia and Africa to grow more food and access vital information on nutrition and health.

National Poetry Day

Last Friday we marked National Poetry Day by learning poems in our phase groups and performing them in our whole school assembly. We heard a very cheerful recital of 'Smiling is Infectious' performed by Year 1 and Year 2 children which definitely made us all smile. We then listened to 'Autumn Leaves' by Eve Merriam performed by Year 3 and Year 4 and were showered with real autumn leaves. Lastly, we heard Year 5 and Year 6 perform 'Aurora Borealis' by Grace Nicholls, inspired by their work on the Northern Lights and Iceland. Ask your child about their poem. Perhaps they can perform to you at home and teach you some lines and actions to go with it. Enjoy!

Beat the street

We are currently third on the leader board for total points score so please keep on beeping those cards so we have a chance of winning one of the prizes of playground equipment from Decathlon.

We are looking for some volunteers to help with our Early Words Together project. You would need to be available on Friday mornings and willing to have a police check and attend training – see Ruth if you are interested or to find out more.

Job vacancy

We are looking for an enthusiastic learning support assistant in our Early Years unit to work with a class as well as individual children with special educational needs. This is a fixed-term contract until July 2018 and you must have at least a grade C in GCSE English and Maths and excellent spoken and written communication skills. To find out more ask for an application pack from Kim in the office – closing date for applying is 16th October.

Reminder: coffee morning to meet our new Headteacher and Chair of Governors - Friday 13th October at 9am in the library
