

# Chisenhale Chatter

Chisenhale Primary School Bow

Learning Together for a Better Future

08/09/17

## Hello!

I hope you all had a great summer and it is good to see all of the children looking rested and excited to be in school.

They are making myself, and the other new staff members feel very welcome.

I am really pleased to be taking up the leadership of Chisenhale and I am looking forward to developing and building on the work that has been done by Helen and the whole school team over the last few years.

We start the term following strong assessment results across all of the key stages, as well as many more successes including gaining Rights Respecting Schools Level 1. I am sure that we will continue to go from strength to strength working in partnership together with you, the parents and carers.

I hope to meet as many of you as I can in the next few weeks as I will be in the playground before and after school as much as I can.

We send our good wishes to Ms Fallows who is still unwell and has not returned to work. Ms McCarthy is taking her class until Ms Fallows returns.

**Sharon Taylor-Sezgin, Headteacher**

## Improve your English

Our English classes for parents start again next week. This year we will be running a beginners class twice a week, on Monday and Wednesday mornings from 9-11am in the school house. These classes are **free** for parents and carers and are a great way to improve your spoken and written English. Please come to the **registration session on Monday 11<sup>th</sup> September at 9am in the schoolhouse**, whether you have attended before or would like to come along for the first time. If you can't make that session but would like to find out more please see Ruth.

## Clubs

Most after-school clubs will start in the week beginning 18<sup>th</sup> September this term and will run for five weeks as usual. There will be a letter next week listing all the clubs so that you can make your choices and pay any fees due before the clubs start. Family gardening club starts today.

## Information forms

Please make sure you complete and return the key information form which your child has brought home. This is how we make sure we have all the up to date contact, medical and permissions information on our system.

## Week beginning 11<sup>th</sup> September

**NO after school CLUBS all week –**

**ONLY NIGHTOWLS AND BREAKFAST CLUB**

**Tuesday 12<sup>th</sup> September** Women's get fit class starts.

Our popular exercise class for mums starts again on Tuesday. It costs £1 a session and is suitable for everyone – meet in the library at 9am.

**Wednesday 13<sup>th</sup> September** Some children from LKS2 have been chosen to attend a story-telling session organised by the Disney on Ice team.

**Friday 15<sup>th</sup> September** Science Day

The whole school will be spending the day developing our science enquiry skills to investigate the world around us – and we are encouraging everyone to dress up as scientists! You could come as a famous scientist, a crazy one or just wear a white coat and goggles... We will be exploring the five enquiry skills that we learn in school:

Identifying and classifying

Pattern seeking

Fair testing

Research and

Observing over time

**Friday 15<sup>th</sup> September** PTA meeting 9am in the library – all welcome. Please come along to help us plan events for the year and find out how you can get involved.

*Please don't forget to label your school uniform and PE kit with your child's name and class.*
