Chisenhale Primary School Bow

Learning Together for a Better Future

10/11/17

The week started with a school Remembrance Day Assembly on Monday and on Tuesday the Headteachers from Olga, Morpeth and George Green joined with our leadership team to complete a Peer Review. They spent the day watching lessons, talking to children and looking at their work. The outcome was really positive and showed the school is in a really good position with children on the whole being challenged and working quite independently. We are looking now at the 'even better if's' from this review moving forward. Willow class's assembly on Thursday was brilliant. They performed a play all about the transition into secondary school and did a lovely rendition of David Bowie's Changes. School Council met to make posters encouraging the rest of the school to contribute to our 'Anti-Bullying Campaign' next week.

Sharon-Taylor-Sezgin, Headteacher

Parents' meetings with teachers are next week: please make sure you have made an appointment to see your child's teacher- make an appointment after school or call the office.

BBC Children in Need

Wear spots on Friday to support Children in Need

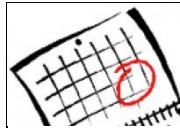

Next week we will be selling raffle tickets to win some goodies from CiN. The raffle will be drawn in assembly on Friday and children are also welcome to wear something spotty on the day and donate to the charity if they would like. We've been raising lots of money for charity – we'll let you know the total soon!

Attendance and punctuality

As you are aware, it is really important for children to come to school every day to make the most of their education. It is also really important that we start lessons on time every day. School starts at 9am on the dot and any child who comes into school after that is **late** and will be given a late mark in the register. The main gates on Chisenhale road and the EY gate open at 8.45am and close at 9am – this should give children time to get to class and be ready to learn at 9am. Please don't be late – it's upsetting for your child and it can disrupt the learning of all of the children in their class.

On-line safety

Parents are reminded, as always, to keep a close eye on what the children are doing on-line. An app called ROBLOKS seems to be attractive to the children, but it does need to be checked as it a social platform as well as a gaming platform and we are being warned about the safety of it. Some of the games are also not appropriate for children, so be aware about putting in correct dates of birth if you do allow your child to use it.

Week beginning 13th November

Tuesday 14th November Strengthening Families course, 9am in the schoolhouse – there is still time to join so do come along if you are interested.

Thursday 16th November Oak Class assembly families welcome – starts 9.05am

Friday 17th November – Flu immunisations for Reception to Year 4

Friday 17th November *Helping your child to look after their teeth*, parent workshop with the NHS Dental Team, 9am in the library

Save the date: our Winter Fair will be on **Friday 8th December 3.30-5pm**. Please contact Ruth or the PTA if you would like to help organise it.
