Chisenhale Primary School Bow

Learning Together for a Better Future

17/11/17

We started the week with an assembly by Bigfoot Arts - *The Bigger Picture: Promoting Positive Relationships*. This was our introduction to anti-bullying week. The assembly and the workshops that followed introduced a range of characters through a series of monologues looking at relevant situations and feelings from different viewpoints. This enabled the children to discuss their own feelings and experiences within the safe context of the fictitious characters. Don't forget to make an anti-bullying poster, we hope to enlarge and laminate some to put up around the school and spread the message of our right to be safe, responsibility to respect each other and celebration of our differences.

I was away at Head's conference so missed Oak class assembly however I am reliably informed that parents' evenings were well attended and I hope you enjoyed hearing about your children's hard work and achievements.

A very spotty Friday raising money for Children in Need today!

Sharon-Taylor-Sezgin, Headteacher

Oak class assembly

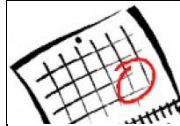

Well done to Oak Class for an excellent science assembly this week. We were introduced to a range of scientists from across the ages and to the scientific lines of enquiry in a most entertaining way. The confidence of the children and the clear way in which they communicated with the audience was most impressive. Everyone really enjoyed their song: Ed Sheeran can take the credit for the melody but Oak Class probably had the edge in terms of the lyrics!

We are all looking forward to Cherry Class assembly next week.

Our winter fair will be on Friday 8th December from 3.30-5pm. We will need lots of help beforehand with making cakes, samosas and decorations and on the day itself to set up all the stalls and games. Please see Ruth or the PTA if you are able to help with any of these tasks. Many thanks.

Week beginning 20th November

Monday 20th November

Y3 trip to Museum of London

Tuesday 21st November Strengthening Families course, 9am in the schoolhouse – there is still time to join so do come along if you are interested.

Wednesday 22nd November Y6 trip to St Paul's
Y5&6 Indoor Cricket competition

Thursday 23rd November Cherry Class assembly 9.05am in the top hall – families welcome
Y4 trip to Museum of London

Friday 24th November – KS1 maths workshop postponed until next term.

Please turn off your car engine!

We are asking parents please not to leave your car engine running if you are waiting to drop off or collect your children from school – the air pollution this causes is very harmful to other children and parents who are waiting by the gate. Also, please don't park on the yellow zig-zags or stop in the middle of the road to drop off your children as this puts them and other children in danger.

Please return your school photos with payment by Tuesday 21st November if you would like to order some copies.
