Learning Together for a Better Future

22/09/17

Sharon Taylor-Sezgin, Headteacher

Another great week comes to an end here at Chisenhale. Thank you to all of the parents who have introduced themselves, welcomed me and asked how I am.

I met with School Council for our first meeting this week and they have some great ideas for 'Anti-Bullying Week' and involvement in the Winter Fayre. They also want some special roles in school such as giving out the stickers in Golden Assembly and of course, showing visitors around the school.

A date for your diary - Neil Cunningham, the Chair of Governors and myself will be holding a coffee morning at 9am on Friday 13th October.

Beat the street

All the children should have their beat the street fobs by now so please try to get out and about in the next few weeks to earn points for the school. If parents would like to help out too, you can pick up a card from the school office. You will have to go online to register your card and choose Chisenhale School from the dropdown menu (the children's fobs are already registered). You need to enter your card number from the front of the card and the activation code from the back of the card and answer a few questions. We have won prizes for the school each time we've done this competition in the past so we need your help to keep our winning streak!

Fit to Dance trip

Last Wednesday, 30 Year 3 children were lucky enough to take part in the 'Fit to Dance' programme run by Disney on Ice, in a dance studio in central London. The children were put through their paces by dancer Ashley Banjo and were reminded of the importance of keeping fit before they re-told well known Disney stories through dance and movement. There was also a surprise visit from Mickey and Minnie Mouse!

"As soon as we got there we met Ashley and we played Peter Says, instead of Simon Says. We got into groups and each was telling a story and we were all different characters. We performed shows in front of everyone and then we had a picture with Minnie and Mickey Mouse, it was really fun!"

Martin, Basil Class

"It was really fun and we got to dance and make up stories! We dressed up and acted out our stories!"

Yara, Thyme Class

Please remember to return your updated contact forms if you haven't already done so.
